

AND

There are so many **REASONS to RACE**. What is yours? Who will you SPONSOR? Wouldn't it be cool if there were an easy way to RACE for a REASON? We think so! **Ben Webb** and friends are working to be the catalyst helping anyone who has a REASON to champion their own cause, RACING for their own REASON.

If you don't have your own reason yet, *join us* at **MY REASON TO RACE** to help support the **Infinity Performing Arts Program**, right here in **Jamestown, NY**.

The *Infinity Performing Arts Program* was established as "an opportunity for aspiring young musicians to enhance their musical talents and performance skills under the supervision and direction of local artists and musicians." Today, the *Infinity Program* is a 501c(3) non-profit organization striving to become a community music school. The Program has grown to include more than 150 young people ranging in ages from 10-21 years old from communities throughout **Chautauqua County**. Infinity consists of eight performing ensembles, a recording studio, a performing arts café and twenty five local professional musicians and music teachers to help guide and instruct the young people in their desire to better themselves through music.

Infinity and **Webb's Captains Table** are pulling together their resources to gather pledges and present a music showcase of **Infinity students ensembles and Special Guests** the night before Ben's race! All Proceeds will go directly to the Infinity Program! *Please join us!*
